

Sebastian Law

At-Large Senator

San Diego City College/Region X

Sebastian Law is a native of San Diego. He was raised with his brother, Ian Law, and his mother, Patricia Law. He was a Senator at Muir High School as well as a cadet in JROTC. Sebastian studied music theory, piano, and guitar performance at Mesa College. He believes college must be more than lectures and labs. Schools must build communities for their students by fostering clubs, professional partnerships, and lifelong friendships. He has pursued this vision by organizing for the Philosophy, French, and Fencing clubs as President.

Sebastian served as a student Senator for Mesa College and later as the Associated Student President and Student Trustee for 100,000 students at the San Diego Community College District.

Sebastian is working towards a Ph.D. in Biology, Ecology and Evolutionary studies at both San Diego City and Mesa College. He enjoys helping students with their mathematical challenges, traveling Mexico and riding his Suzuki 650. Sebastian believes we are stronger together than apart and that we must unite to insure security, protections of individual rights and to achieve our highest potential. He is working to ensure that every man, woman and child has the right to education and healthcare based upon need and not ability to pay.

Mr. Law sees himself working for the U.N as a human rights attorney after two years of service in the Peace Corps. He hopes to receive training in developing nations in the art of water purification and wishes to visit his couch surfing friends in Germany, France and Russia.
