

## Marcus King

### At-Large Senator

### Allen Hancock College / Region VI

My life has been filled with adversity. I was raised in South Central LA, until the death of both parents, when I was forced to move to Virginia. I lost my eyesight in my left eye after being struck by a drunk driver in 2000. The next year, after moving back to California, I made my way from a Cal Works/EOPS student taking just two classes, to carrying over 28, while still making the Dean's list. I learned how to manage my time effectively, providing for my Daughter, while pursuing my goals to later make her educational journey only limited by her imagination.

Having a great sense of empathy, it was only natural that I begin to be involved with student government. I served as Commissioner of Extended Opportunities, then as Secretary, and now as Vice President at Allan Hancock College. I also served last year as your Mighty Region VI Secretary as well. Being involved is rewarding for me, as I get to put my ideas and other's ideas into action. I am honored to have this opportunity to be a voice for each and every one of our students.

*We at the Student Senate serve for the benefit of all California Community College students, so please feel free to share your thoughts with me.*

#### My Stats

Major: Psychology  
Local AS: Vice-President,  
Allen Hancock  
College AS
