

Marc Valenzuela

Regional Senator, Board of Governors Representative
Grossmont College/Region X

My name is Marc Valenzuela and I attend Grossmont College where I am majoring in Communications with an emphasis in Public Relations. I grew up in the El Centro, California, a rural community located in the Imperial Valley, which is one of the largest agricultural communities in the State. I enjoy riding motorcycles in the desert, hunting, camping, and being outdoors.

I have been involved with Student Government since middle school, and am currently serving as President of the Associated Students of Grossmont College, Inc. I have been involved in Region X of the SSSCC since last year when I was the delegate from Grossmont College. During that year we worked hard and had participation from nine out of ten colleges in our region. I was elected as Regional Senator for Region X at the spring 2009 General Assembly. At the first meeting of the SSSCC, I was appointed by President Reid Milburn as the Representative to the California Community College Systems Board of Governors, which is the highest governance body for the System.
